

Binkee for Comfort is a Guidestar Platinum Accredited 501c3 Non-Profit Organization whose sole mission is to support children and families afflicted with an acute medical crisis. Binkee for Comfort executes this mission by donating bespoke certified safe blankets to infants and children struggling with a life threatening illness, a developmental or mental disorder, or a severe burn. Binkee for Comfort is privileged to provide comfort to these infants and children while simultaneously supporting their siblings as well as their parents and caregivers.

5,500+

Number of children supported with a blanket and more - love, hope and comfort.

230+

Number of children with life threatening illnesses supported.

115+

Number of Hospitals Binkee for Comfort partners with.

*\*Stats from 2018*

## ELIGIBILITY

To ensure Binkeez for Comfort blankets reach those fighting illnesses away from the comforts of home, we only gift to those who are actively in care of a hospital or other health-care facility, in active treatment for a life threatening illness or hospice care.

Eligible requests may be submitted by a parent, family member and/or legal guardian of the blanket recipient.

Fabrics and blanket sizes are chosen by Binkeez for Comfort based on the information provided in the Binkeez for Comfort Request Form provided below.

### Eligibility Requirements:

1. Resident of the United States of America
2. Newborn to 18 years of age
3. If support page not available for confirmation of above, a medical professional treating child must email confirmation of eligibility to [info@binkeezforcomfort.org](mailto:info@binkeezforcomfort.org).

## REQUEST A BINKEEZ

**Step 1:** Go to [www.binkeezforcomfort.org](http://www.binkeezforcomfort.org)

**Step 2:** Select Request a Binkeez or visit <http://binkeezforcomfort.org/request-a-binkeez/>

**Step 3:** Complete all fields.

**Step 4:** Wait to hear from a Binkeez for Comfort Family Coordinator on the next steps.

*Binkeez for Comfort are made from fabrics exclusively provided by Shannon Fabrics and are lead-free and hypoallergenic.*
